Thank you for our QSO on October 27, 1993
on 22165 MHZ. Your Signal was 59 on my ICOM 728
and Cushcraft R7 Antenna. Please QSL using the enclosed envelope.

I'm envious of your refrigerator amplifier. Your signal was incredible!!! Hope the school enjoys this. Please send me one of your or the ARC's GSL's.

Thanks

Rick
